Dear Fairhaven Family,

We are pleased to announce that we are reopening to indoor family visitations!

Please contact Activities Director Ruth to schedule your visit at 978-458-3388, extension 237. As always, Ruth can also still arrange virtual visits as well.

Visits will be held in the main Rotunda, and all safety protocols will still be in place.

Please feel free to contact us with any further questions.

Thank you,
